

## **Supernove joins hands with Yu Chai**

**AHMEDABAD:** AIMING to offer cheaper gensets for the mid-size companies, Supernova Engineers Ltd has inked an MoU with the Chinese engine major Yu Chai to import engines for fitting in the company's gensets produced at Rajpur plant, one of the country's largest diesel gensets manufacturing greenfield projects. Initially 3,000 units will be imported per year. Supernova will export 500 of the DG sets fitted with Yu Chai engines every year.
